

Dear IAMG members,

Do not delay and nominate candidates for the 2018 IAMG Awards and Special Lectures! Deadline October 31, 2017

The Association invites all members to submit nominations for the John Cedric Griffiths Teaching Award and the William Christian Krumbein Medal

For details about prerequisites for nominations please see the IAMG web site <http://www.iamg.org/> and click on Awards.

The (informal) documents which should accompany a proposal are:

- a short statement summarizing the relevant qualifications of the nominee
- a curriculum vitae of the nominee

Please support your colleague when you believe he/she deserves an award by submitting a nomination. Nominations can be submitted via e-mail to: Jennifer McKinley - Acting Chair, IAMG Awards Committee: j.mckinley@qub.ac.uk
Request for Nominations for IAMG Special Lectures: The 2019 Distinguished Lecturer and the 2018 George Matheron Lecturer.

The Distinguished Lecturer prepares a series of lectures, preferably on a variety of subjects in the mathematical geosciences, to be presented in places where IAMG Annual Meetings are not normally held. The Georges Matheron Lecturer should be a scientist with proven research ability in the field of spatial statistics or mathematical morphology. This lecture is presented at the Annual Meeting of the IAMG.

Letters of nomination for both these roles should include a curriculum vitae of the nominee and a short statement summarizing the ways in which he or she fulfills the nomination criteria. For more information see:

<https://iamg.org/special-lectures.html>

Letters should be directed by e-mail no later than 31st October 2017 to the Chair of the Lectures Committee, Christien Thiant: christien.thiant@uct.ac.za

Nobody gets an award without a nomination, so please support your colleague when you believe he or she deserves an award by submitting a nomination.

Thank you

Jenny
